Traffic Lights Go On At L.G.'s Palm-Skyline

Traffic lights were turned on last week at the Skyline-Palm intersection in Lemon Grove for better control of traffic "involved in right angle type accidents."

Al Krier, associate traffic engineer for the County said that the topography contributed to the problem while it was a 4-way stop.

The intersection handles approximately 14,800 cars a day. The cost of the installation was $10,000. Considerable traffic passes the intersection each school day by drivers going to Mt. Miguel High School.

Premiere To Aid Student Exchange

Charity premieres for "My Fair Lady" will begin Friday, February 19 at the Capri Theater in San Diego. The first two double premieres Feb. 19 and 20 will benefit San Diego County Chapters of the American Field Service. Mt. Miguel High School, as a local chapter of AFS, participates in bring two students from foreign countries to attend Miguel during their senior year.

All evening performances from Feb. 19 through 28 are closed except through specified organizations.

Tickets are reserved and can be secured through the Highlander Store in Lemon Grove or by calling 469-8652 or 469-3691. Cost is $7.50 and $10.

Only tickets sold for the 19 and 20 in Lemon Grove will be credited to the local AFS chapter.

IN PARADE — Barbara Fletcher, Miss Lemon Grove, and Clarence Scheidle will represent the community in the Thirteenth Annual March of Dimes Parade on Sunday, Jan. 24, at 1:45 p.m. in National City. Scheidle, of Lemon Grove Body and Paint Shop, is in charge of the Horseless Carriages which lead the parade. Mayor Frank Curran and other dignitaries will ride in the cars. The antique cars will be assembled on 22nd street by 1 p.m. so photographers can get pictures while the light is good. Scheidle will drive his 1913 Cadillac in the parade.

Miss Lemon Grove will be in Division 9, riding in a convertible driven by Alex Woods of Bank of America.

Youth Beaten By 3 In Field

A 16-year-old Encanto boy was beaten by three youths and left in a field south of Broadway and College in Lemon Grove.

The boy told sheriff's deputies that the three asked him for cigarettes and when he refused they beat him. He was found dazed and taken to Grossmont Hospital. The beating took place Friday evening.

Tires Taken

Two Spring Valley men and a Lemon Grove man reported to sheriff's officers that tires and wheels were stolen from their cars.

Wayne Decker of 1051 Sweetwater rd., Spring Valley, had four tires and wheels taken from his car last week.

Verlin W. Rutlind, of 3837 Agua Dulce, Spring Valley, reported a tubeless tire and a wheel were taken from his parked car during the night of Jan. 17.

A tire and a wheel were reported taken from a car belonging to George Wheeler of 2364 Bonita st., Lemon Grove.

Wheeler told officers the theft took place between 1 a.m. and 7 a.m. last Saturday.

Battery Gone

Mrs. Patricia Ann Wright of 3438 South Granada, Casa de Oro, reported that a 12-volt battery was stolen from her station wagon while it was parked in the 3400 block of Vista in Lemon Grove. She said the battery was taken Saturday evening.

Garage Looted

A flashlight, a pellet gun and two boxes of pellets were reported missing from the garage of Kenneth B. Simmons of 9423 San Diego ave., Spring Valley.

Simmons said the items were taken last weekend and were worth approximately $25.

Diapers Disappear

Thirty six diapers and other baby clothes were stolen from a washing machine at a local laundromat. Winfield Scott Day of 7476 Pacific, Lemon Grove, told sheriff's deputies that the clothes were taken late last Thursday evening.

$33 Missing

Samuel Aaron Robinson of 908 Parkbrook, Spring Valley, reported $33 missing from a dresser drawer at his home. He said the money was taken last Saturday.

Bikes Taken

Two Lemon Grove boys were without bicycles this week they told sheriff's deputies.

Emory Leon Ball of 6721 Hibiscus said that his bicycle was stolen Sunday afternoon from an open field west of the 7100 block of Broadway.

Sunday evening a bicycle belonging to Steve Isley of 8708 Hartzell st., was taken from the 7900 block of Broadway. His bicycle was a bright red, 26-inch racing model.

Parts Stolen

W. H. Keough of 1729 Ramon, Lemon Grove, reported that bicycle parts were taken from his garage last week. He said a drive sprocket, drive bearings and pedals were missing.

GROSSMONT BOARD — Three members of the governing boards which serve the Grossmont Junior College District and the Grossmont Union High School District, and whose terms expire this year, have applied for re-election, it was announced at a college board meeting Wednesday.

The three who will be seeking re-election are, from l. to r., Palmer R. Svalstad, Rexford L. Hall, who has served as president of both the high school and college boards since 1961, and Robert P. Dryden. Dryden, of 2542 Chatham st., El Cajon, is manager of the U. S. National Bank, Lemon Grove. Svalstad, of 7857 Longdale st., Lemon Grove, is a buiding contractor. Hall, of 1502 Murray drive, El Cajon, is retired. He was president of the W. D. Hall Co.

School Board Letter OK Says County Grand Jury

The County Grand Jury said this week it could find no violation of the law in the controversial Christmas letter of the La Mesa-Spring Valley School District board of trustees.

The jury had been asked earlier by a citizens group in the LM-SV School District to investigate the letter. The school board had planned to send more than 13,000 letters to the homes of school children. The letter had stated in part that "because unification is more expensive, districts will receive $15 more per student from the state to offset the cost."

Warren B. Jones, foreman of the grand jury, said in a supplemental report, that, "The grand jury has decided to end its investigation in this matter."

Mrs. Anna Dewey, president of the La Mesa-Spring Valley School District board of trustees, said the letters were finally mailed to the homes and that the outcome of the grand jury's investigation will be discussed at Monday night's board meeting, in the LM-SV School District board room.

Park Grove Gets Hospital Accreditation

Park Grove Convalescent Hospital has been accredited by the California Commission on Accreditation.

Convalescent Hospitals in San Diego County whose type of care and facilities qualify them for this recognition are few, according to M. C. Straus, president.

An accredited convalescent Hospital is eligible to accept patients by most Medical Insurance Plans whose coverage include convalescent care.

At Park Grove a nurse is on duty 24 hours a day. Complete physical and occupational therapy facilities are provided. Dr. James Osborne of the Lemon Grove Medical Group is chief of staff.

Discount Market Opens Next Week

A discount grocery will open next week in Lemon Grove. It will be the Stack Mart at 7345 Broadway, just east of the Massachusetts intersection.

Stack Mart is being opened by John Shasteen, former owner of Big Ace market in San Diego. Big Ace was demolished to make way for a freeway last year.

Shasteen, who says his market will open Thursday, will specialize in canned goods. "Our slogan is stack 'em high and sell 'em cheap," he said.

Shasteen said that he had surveyed many communities and selected Lemon Grove as potentially having the best business climate.

"We found that local firms who are merchandising well are doing excellent business, he said. "We expect to have an outstanding operation for all east county consumers," he added.

Income Tax Time Brings Advice From Collectors

A federal income tax return must be filed by every citizen or resident of the United States, including minor children, who had gross income of $600 or more in 1964, the Internal Revenue Department reminded taxpayers this week.

If a calendar year taxpayer's 65th birthday is on or before Jan. 1, 1965, he is not required to file unless his gross income in 1964 was at least $1,200.

Even though a taxpayer does not have gross income of $600, he must file a return if any income tax was withheld from his pay in order to get a refund.

Self-employed persons such as businessmen, farmers, and most professional men must file a return if net earnings from self-employment were $400 or more.

Local Group Asks Investigation Of State Department

The Lemon Grove Republican Assembly has unanimously passed on a resolution urging Congress to conduct an immediate investigation of the State Department and the Defense Department "in order to determine the identity of the individuals responsible for the program of unilateral disarmament of the armed forces of the United States."

The resolution said that the program outlined in the State Department Document 7277 is being implemented and cited the phasing out of the 95 strategic bases and the cancellation of the Nike-Zeus, Skybolt and B-70 programs as instances.

With Communism advancing around the world, this action is a grave threat to our nation's peace and safety," the resolution concluded.

Dr. Frank Phillips of Lemon Grove, a State vice president of the CRA, installed officers for 1965. Officers elected and installed are president, Emil Balaban; first vice president, Walter Guire; second vice president, Mrs. Tom Young; secretary, Mrs. Jeff Godfrey and treasurer, Mrs. Walter Guire.

Two educational films comparing Capitalism and Communism were presented by program chairman Robert McCaffery. The group meets on the first Wednesday of every month in the recreation room of the Lemon Grove Medical Goup Bldg. All interested persons are invited.

Total Climbs To 1,262 In Angels Unaware Drive With Forty-One Joining

Forty-one new area families joined the list of Angels Unaware this week by becoming subscribers to this newspaper. These latest subscribers bring the total to 1,262 that have aided in the drive.

With their subscription to this paper, the new subscribers are aiding Angels Unaware, the East County Chapter of the San Diego Association for Retarded Children. The center, at 1288 E. Lexington Avenue, El Cajon serves retarded children from this area who are unable to attend regular school.

All families in this area are being called by solicitors asking for subscriptions, with part of the funds being set aside for the Angels Unaware project.

The funds raised by this subscription drive will be used for playground equipment for the children.

When a first time subscriber pays for the newspaper for two years through a representative of Angels Unaware, $3.50 is contributed to the center. Amounts in between are given to the center for other subscription circumstances.

Each week the list of names of families participating in the Angels Unaware project is printed in the paper.

RAIN TRACE IS .06 INCH

A shower locally brought .06 of an inch of rain to end a storm that left 1.56 inches on the Lemon-Grove Spring Valley area. An unmeasurable trace fell Tuesday night.

Total for the season to date is 3.44. That compares with 5.96 for the comparable season last year.

Mid-Winter Concert Slated By Grossmont Jr. College

The annual free mid-winter concert of the Grossmont College community orchestra, choir and concert band will be presented Sunday, Jan. 31, at 3 p.m. in the Student Center.

Music Department Chairman Carroll Reed pointed out that the concert is especially designed for community-wide enjoyment, and invited area citizens to attend.

The program, divided into three 20-minute segments, will open with orchestra selections, followed by a choir presentation and concluding with four works by the college concert band.

The orchestra, directed by Dr. Robert Emile, will play the Overture to "Russian and Ludmilla," by Glinka, and a portion of Mozart's Concerto for Horn and Orchestra. Ronald Burdick will solo on the French horn.

The Choir, directed by Reed, will sing Byrd's "I Have Longed for Thy Saving Health" Morales' "Me Ye Have Bereaved"; Tallis' "If Ye Love Me"; Schultz' "Christ, To Thee Be Glory"; Dietrich's "Kyrie Eleison"; Koepke's "When Lilacs Last in the Dooryard Bloom'd"; and Dello Joio's "Somebody's Coming". Pianist Elizabeth Juul will accompany the final two numbers.

The concert band will play Osterling's "Mount of Might"; four sketches by Bartok; Strauss' Die Nacht," and Bach's "Prelude and Fugue in G Minor." Dr. Emile will conduct.

ILLITERACY PROBLEM EXISTS IN LG-SV AREA SAYS CARLSON

There are at least 200 illiterate adults in the Lemon Grove-Spring Valley area and these persons should take advantage of the Grossmont Adult School program, Don Carlson told the Lemon Grove Men's Club Friday.

Carlson is director of the program.

One percent of the population of San Diego county is listed as "functional illiterates" he explained. These are people over 25 years of age who can neither read nor write. "We plan to knock on doors to try to reach these people to get them into the local program," he explained.

Funds, through the Federal Economic Opportunities Act, will be used to pay for the program, Carlson said. He explained that the adult high school program encompassed many other areas of eeducation than reading and writing. "We have students who are more than 60 years of age and who want knowledge in fields of history, English, and other basic areas," Carlson said.

The club heard Neil Good, a Mt. Miguel student, request a petition for the continuation of the high school driver education program. The club endorsed his request.

Club member Dr. Frank Gigliotti was named to head a committee to study the high school dropout problem. He said a program will be presented for club approval within a month.

Program Chairman Chuck Buckles said Bob Burdick, Chargers official, will provide the program Friday.

The club meets Friday's at noon at Michael's for a no-host luncheon. All males are urged to attend.

Sups May Rescind Smog Control Action

SAN DIEGO (CNA) — County Counsel Bertram Mc Lees has been asked by the Board of Supervisors to determine whether the board could rescind its action declaring that the county is a smog endangered area. It was this action that led the installation of crankcase smog control devices on automobiles which do not have them.

The vote was three to two on Dec. 14, 1963 with David Bird and Robert Cozens in opposition.

Tuesday, Supervisor Henry A. Boney said he would like to see a public hearing on the subject. He said that he knew that the board has no control over the use of the devices but that the hearing could get at the "grass roots" opinion which could be passed on the legislature.

The Mystery That Still Is

Someone forwarded an editorial from this paper to the landlord of the Lemon Grove Post Office.

In it we had related how a woman's shoe had been found on the banks of the La Brea tar pits in Los Angeles. The findings stirred a great search. Happily, the lady was found safe, and well, uh, unharmed.

We noted in the same article that we had observed a lady's white tennis shoe floating in a chuck hole in front of the Lemon Grove Post Office. We called on our readers to inform the police or the Post Office, if a lady, with a penchant for wearing white tennis shoes, was missing.

Before edition time this week, the landlord's workmen, with a couple of trucks of blacktop, went to work on the chuck holes. The holes are now filled in and smoothed over.

We are happy that the chuck holes are gone but we are concerned about the possibility of a missing lady. We may now never know whether or not some sweet, elderly soul lies buried under the pavement. It is a terrible, terrible price to pay just to get a chuck hole filed. The brighter side is that no one has reported a trembly old lady wearing tennis shoes as missing.

TIME Takes Another Look

More than a year ago TIME Magazine published an article on San Diego in which Our Town was described as a "Bust Town."

Things were slow in San Diego then. Employment was down. Unemployment was over seven per cent. Many local leaders squawked publicly and privately about the adverse publicity the town accrued as a result.

But TIME did a turnabout this week. In its current issue it paints San Diego as a vital community, a city moving up. It describes the new $21.5 million Community Concourse and the new high rise buildings in the downtown area. It cites the investment in new industry which was $4 million last year com-

DENTAL HEALTH — The appointment of Dr. Donald G. Johnson as Lemon Grove area chairman of the 17th annual San Diego county observance of National Children's Dental Health Week has been announced by general chairman Dr. Alan Curtis.

Johnson, who maintains his practice at 3050 Main st., is one of 30 San Diego County Dental Society members who have been named to assist Curtis with preparations for the week-long event, Feb. 7-13.

Johnson said the week-long dental health observence, which has as its theme, "Healthy Teeth . . . Happy Life", will point up the significance of preventive dentistry among the nation's pre-school to teen-age children.

Your church fits into the plan which God has for this Age. The Holy Spirit gathers God's people into congregations for worship, study, fellowship and service. It is through your church that you may most effectively serve your God. Take a good look at your church and then fit yourself into its activities.

'WHAT IS TRUTH?' POSED BY CHURCH SERMON

The age-old question of "What is truth?" is given a fresh exploration in Christian Science churches this Sunday. The Bible Lesson is on "Truth" and the Golden Text is from Psalms (86:11): "Teach me thy way, O Lord; I will walk in thy truth."

One insight into the question from the opening pages of the Christian Science Textbook: "The time for thinkers has come. Truth, independent of doctrines and time-honored systems, knocks at the portal of humanity. Contentment with the past and the cold conventiality of materialism are crumbling away.

GOD'S MINUTE

REV. H. C. BAKKEN

Man has always struggled with his own identity. Philosophers have tried to answer the questions: Who am I? Where did I come from? What is my destiny? I am a being with the capacity to know right and wrong and with the capacity to receive life from God. I am a member of the human race which had its beginnings with God. My destiny is to know God, to serve Him during this life and to be with Him in the life to come. I know myself.

Stiff is the son of Mr. and Mrs. Lee Stiff of Beaumont. Miss Persall is a graduate of Mount Miguel High School. The wedding date has not been announced.

Girl Scout Chatter by Mary D. Giacinto

The round-up for District 10 for leaders and personnel of Girl Scouts was held last week. This is a special time for reviewing and renewing, learning and introducing new and old skills — a combining of individual know-how so that the girl scouts may be better served and informed. In attendance were 46 adults and 9 senior scouts. Though there was a lot of serious business there was still a delightful fun-filled air throughout it all.

The "wide game" (review of skills) was most successful. An invigorating highlight was the sunrise hike to Inspiration Point. A study group was also held in the Brownie, Junior, Cadet and Senior levels. The new games and songs introduced were done so with evident enjoyment.

At the close of the round-up, Chris Christian was presented with the coveted Juliette Lowe Award statuette. Mrs. Christian is the retiring ristrict chairman.

Mary Hall who was presented with the new gavel signifying her acceptance of the district chairmanship has done a great deal toward making Lemon Grove the enthusiastic girl scout center it is. Now, she will have the responsibility of doing so throughout the outlying areas too. I'm sure Lemon Grove parents offer their gratitude and best wishes for success. Thank you, Mary Hall.

On the local scene, Joyce Mohr, Spring Valley neighborhood chairman has been chosen to represent district 10 at the Burry Biscuit Corporation in Buena Vista, Calif., on Jan. 26. She will report back just how the girl scout cookies are made, modern method and all. It will probably turn out to be a very tasteful task.

It's a first! And Troop 620 under Mrs. Purez along with Barbara Hughes Troop 1536 are the participants. They will serve at Blue and Gold banquets for Cub Packs 329 in Spring Valley and 962 in La Mesa. What a colorful display of Scout-ism that should be.

Four troops, 962, 620, 1020 and 429 (about 80 girls) are working industriously toward their skating badge. They should earn their award at the graduation celebration on March 11.

Cub Pack 329 Gives Awards To Members

Cub Scout Pack 329 held its first meeting of the year on Jan. 12, at Bancroft Elementary School. Den 5 opened the meeting, while Den 3 presented a skit. Closing ceremonies were performed by Den 4 and Dens 1 and 2 supplied the refreshments.

The following boys received awards:

Howard Spencer, Bobcat; Chris Holeman, Lion badge; David Lazoya and Allen Johns, Bear badges; Ross Enyeart, Wolf badge and gold arrow; Jerry Fowler, Craig Hie, Danny Knight and Pete Ainsworth received gold arrows; David Redding, John Ingwedsen and Eddie Morris received their silver arrows; and Joe Pecorraro received a silver arrow and a one-year pin.

February being Scout Month, Cubs and others plan to have Scout displays in store windows of the area. The annual Blue and Gold dinner of Pack 329 will be in conjunction with the Feb. Pack meeting.

Hand Sewn Patchwork Quilt Assists Lemon Grove Lioness In Angels Unaware Donation

The Lemon Grove Lionesses gave $100 raised through various work projects to the Angels Unaware.

Mrs. John Dall of La Mesa, board chairman of the East County Chapter accepted the check in behalf of the organization.

Lioness project funds usually are used to assist the Lions in their work according to Mrs. L. R. Papanhouse.

"We wanted to help, with a projet of our own, the Angels Unaware who do so much to help mentally retarded children," said Mrs. Papenhaus.

The projects which consisted of a "Do It Yourself Auction," where each member of the Lionesses made something to be raffled off and a raffle on a patchwork quilt, hand sewn by club members were assisted by cash donations from Lioness members in raising the gift to the Angels Unaware.

A native of Texas, McVey had lived in San Diego County 45 years. He was a retired service clerk of the Western Union Telegraph Co. He was in the U. S. Army from 1908 to 1911.

His closest survivor is a sister, Mrs. Bettie Kelley of El Paso, Tex.

Kiwanis Event Marks Golden Anniversary

The Golden Anniversary of the founding of Kiwanis International is being marked this week according to Paul Reynolds, President of the Kiwanis Club of Lemon Grove.

"A program of national, regional and local events will highlight the Golden Anniversary year," he said.

Kickoff for the Golden Anniversary in Lemon Grove was a regular Kiwanis meeting on Wednesday, featuring the appearance of Max Goodwin, local editor-publisher and Sheriff's Deputy Ted Kohl of the juvenile division. Following his remarks the club pledged itself to a renewal of its efforts on behalf of community service.

Also scheduled for the year are a Golden Anniversary ladies night, featuring costumes of the past Golden Anniversary music, and a parade of leaders, in which special honor will be accorded those members of the club who have assumed positions of leadership locally regionally, and internationally.

Kiwanis International was organized in Detroit, Michigan, January 21, 1915.

"We believe that our Golden Anniversary is significant," Paul Reynolds said, "because it marks a half-century milepost in an idea of service that has grown until it touches directly, or indirectly, practically every man, woman and child in the areas that we serve."

Daily Interest Offered By Bank

Jack W. Koop, manager of the Lemon Grove branch of First National Bank of San Diego, announced that daily interest will be paid on regular savings accounts at the rate of 4% per annum which is the maximum rate allowed by regulations promulgated by the Board of Governors of the Federal Reserve System.

According to Koop, daily interest will be computed from date of each deposit, compounded and credited quarterly if the account remains open on March 31, June 30, September 30 and December 31.

DOROTHY DIGS in the garden

Very soon now your nursery will be getting in its bare root stock of trees. It would be a good idea to look them over and select yours early while he still has the better ones available.

If you are bothered with borers in your soil it would be well to treat the ground with an Ethylene dichloride borer solution before planting.

Be sure you plant trees far enough apart so that you will not have to remove some of them in a few years. I tell you this every year but it is most important. It would be well to pace off the diameter of the grown tree and see if you have room enough.

Soak the tree ball in a Vitamin B1-hormone solution before planting and you will find that the tree will get off to a better start.

It is always a good idea to consult with your local nurseryman or county agent before deciding on the type of tree you buy, whether it be for shade or fruit. Local climate and soil are big factors in your success with trees.

Trees not only provide much satisfaction to you but they add many dollars to the value of your property.

Here is another column by veteran writer Pete Odens of Imperial Valley. An interesting historian, his columns, which we will publish from time to time, will concern history of Southern California.

SAN DIEGO — On May 14, 1769, a most remarkable man came walking into San Diego — or rather, as some said, he was hobbling into town. He was Father Junipero Serra who was accompanying the expedition led by Don Gaspar de Portola, governor of Baja California since 1776. With them was Sergeant Jose Francisco de Ortega, ten other soldiers, some 40 Christian Indians, four muleteers and two servants. They had left the Mexican town of Velicata on March 24 and on the way an incident happened which, perhaps more than any other showed the qualities which Father Serra possessed.

He should really not have gone on the trip. Miguel Jose Serra had always had a frail body. Born in Petra on Majorca island on Nov. 24, 1713, he had been a sickly, small child. But he had become fascinated by studies and, before he reached the age of 17, had become a Franciscan, assuming the name Junipero. For some 15 years he taught philosophy at the College of Palma, then he was sent to Mexico in 1740 as one of a group of missionaries which included Fathers Francisco Palou and Juan Crespi.

The frail missionary had always been a bad horseman and when he found that he had to cross Mexico as part of his missionary work, he decided to walk rather than ride, as a means of disciplining himself. One day, as he was approaching Mexico City, he was bitten by a snake which resulted in an infection from which he never recovered.

In 1767, Serra was put at the head of 14 Franciscans in Baja California to take over the work which the Jesuits had begun but which was assigned to the Franciscans by Inspector General Jose Galvez. Shortly thereafter, he was instructed to proceed to Alta California with the Portola expedition.

Just before leaving Velicata for San Diego, Serra's infected leg had become extremely painful. At the Mission San Francisco Xavier Father Palou pleaded with him not to go on, but Serra merely shook his head and said he could make it. He did not want to impose on anybody, and every day on the journey he would slowly fall behind the others. Nevertheless, he asked them to continue on without regard for him, and only after the others had made camp for the night, Father Serra would come hobbling in.

The second afternoon of the journey to San Diego, the expedition arrived at a place where there was abundant water and good pasture for the animals. By then, Serra's foot was so badly swollen that he could hadly keep himself standing, even to say Mass. Much of the time he had to lie down on a blanket, yet he refused Portola's advice to return. He was a humble, serious man who considered the infection his punishment for a sin he though he must have committed.

That evening, Serra called Juan Antonio Coronel, one of the muleteers, to his side.

"Son," Serra asked, "can you make me a remedy for my leg?"

"Senor Padre," Coronel said, shaking his head sadly. "I can heal mules, perhaps even a horse — but a Padre, that is something else again."

"Then, hijo," Serra said, "Why do you not suppose that I am a beast that has a sore leg? If I were an animal in great pain, what would you do?"

"Well Padre," Coronel grinned, "then I would try to fix up a strong medicine." He took some tallow and crushed it between two stones, mixed it with axle grease and herbs, heated it and made a poultice which he applied to Serra's leg. The following day, Serra felt very much better and the swelling had gone out of the leg so that the Padre was able to continue the trip.

On foot, just as he had come all the way, Serra continued his march into Alta California. On July 16, 1769 he established the mission at San Diego. He was then 55 years old. In all Father Serra established nine missions. In the twenty years he had worked as missionary in Mexico, Junipero Serra walked more than 6000 miles, and during his six months in Baja California he added another 1000 miles. And it was only then that his great work in Alta California began.

Father Serra, in his gentle, saintly way, managed to keep peace with the Indians of whom he baptized more than 6000, while at the same time diplomatically keeping on good terms with the civilian authorities. He died on August 28, 1784 at San Carlo de Monterey, with his friend and biographer Father Palou at his bedside.

LETTERS TO THE EDITOR

PHYSICAL FITNESS

We Senior Citizens are told
That we are very wise,
If we do not admit we're old,
And take our exercise.
Our bowlers play through sun and rain,
Perhaps our golfers too,
Until their creaking bones complain,
Because they over-do.
The ideal is the five mile walk,
To keep our bodies fit,
While others merely sit and talk,
And some just sit and sit.
So now we're promised Medicare's
Assistance! My oh my!
We'll soon exchange our easy chairs
For beds — and lie and lie!

JOHN B. GIBSON

Civic Leader Seeks Reelection

John B. Gibson, an area business and civic leader, is running for reelection to the Helix Irrigation District board of directors. He has been a director since 1959.

His district is maintained in the La Mesa area. His opponent is Douglas V. Brunson, a salesman for IBM.

In Spring Valley, Bob Rundell is candidate for reelection. His opponents are A. O'Brien and Virgil Steffen.

Gibson, who has been a businessman for 28 years, was associated with Mobiloil as a distributor until he sold his interests in 1962.

He is a member of the La Mesa Masonic lodge. In 1949 he was president of the La Mesa Kiwanis Club and was lt. governor of Kiwanis District 21 in 1951. He organized the Lakeside Kiwanis Club as well as the Lemon Grove club. As club president he rebuilt the Boy Scout clubhouse in Collier Park and personally donated rest rooms in 1949.

He assisted in raising money for the La Mesa Youth Center and served on the County Airport Commission from 1955 to 1960. He was president of the El Cajon chamber of commerce at which time the Gillespie Field Golf Course was developed in 1954. He aided in establishing the first Youth Center in El Cajon and personally paid rent on a building for one year in order to get the group organized. He was president of S. D. Dinner Club in 1958 and served on the 1954 Grand Jury which broke the Bonelli liquor pay-off. He was president of the Francis Parker school in Mission Hills for three years until 1962. As a member of the El Cajon Elks club, he helped negotiate on a lease arrangement by which the club was assisted in its financing. He served as a director of the El Cajon Boys Club and contributed $3,000 to get it started. He has been a director of the Mother Goose Parade for 5 years.

He donated half the cost of the land on which the Lakeside War Memorial is built; provided rent-free ground to the Lakeside Fire Department for 10 years; was a trustee of the First Presbyterian church in San Diego and is now a member of the Scott Memorial Baptist Church.

The irrigation district election is to be held Feb. 2.

MOTHERS' MARCH

The annual January March of Dimes campaign in San Diego County comes to a climax next Tuesday, Jan. 26, when thousands of mothers' marchers visit homes and apartments seeking contributions for the fight agains birth defects.

Mrs. Marilyn Mitchell, mothers' march chairman, said the volunteers would be out between 4 and 9 p.m. They will leave return envelopes for residents who are not at home when they call, she said.

School Districts Lose In Bigness

A group of elementary school superintendents and administrators met with members of the east county press recently in an "off-the-record" discussion on school unification matters.

There wasn't anything that we noted that could qualify as off-the-record," unless the school participants didn't want a list of names published. Neither would that explanation stand up, because even a careless observer has learned that small district officials, generally, want to keep their district small. Larger district officials, generally, want large districts.

This pholisophical variance is easily explained. Where the district is large and perhaps touch has been lost with parents on an easy-going, person-to-person basis, there isn't anything to be lost by getting bigger.

A good comparison is that of the Lemon Grove Elementary District, which under Superintendent Byron Netzley, has hardly had a ripple of trouble. And certainly none that isn't solved on the spot.

The La Mesa - Spring Valley District, conversely, has been plagued by one type of trouble or another. As long as we can remember there has been some group carping about some action of the trustees. This is not to say that the complaints were justified, but the element of trouble was there.

The only difference, probably, is size. The Lemon Grove District can keep in touch with those who want to resolve district problems.

And what is the loss or gain by producing a big, unified district? Assembly Speaker Jesse Unruh, father of the Unification Bill, says students get more education for the tax dollar in the larger district.

Believers in the smaller district, and we are one of those, feel that the most important ingredient, grass-roots trust and support, is lost when the district management becomes large or remote.

School people have made good advances as professionals in recent years. Their programs were sympatheticaly approved. The sympathy was generated at grass-roots level. When districts become big government agencies instead of small, semi-personal ones responsive to local supporters, it will be much harder to sell progressive programs for which the public will have to pay.

So don't let anyone kid anyone. High school and college districts are more acceptable because of the rapport between small school districts and people at the elementary level.

As that changes, resistance to spending programs will grow. However, it is pretty late to change Jesse Unruh's program which is rolling small districts into bigger ones. With the consolidation, good superintendents will be given subordinate positions and bigger titles and top jobs probably will be going to personnel of the bigger districts.

We believe the day will come when perpetrators of unification will rue their determination. If we ever revert to small, responsive districts, it will be after bigness has killed off public ardor. Then it'll take a generation to revive the public's love for its elementary school district.

SMALL BUSINESS

The Small Business Administration announced a one-day workshop for people planning to start businesses of their own. There will be no fees.

The meeting will be held in the conference room of the San Diego Public Library, 8th and E streets, in downtown San Diego, starting at 10 a.m. Tuesday, Jan. 26.

The purpose of the all-day meeting is to prepare individuals who never before owned and operated a business of their own.

For further details, write or phone the SBA's Branch Office, 3969 Ohio st., San Diego, or phone 293-5440.

OPENING NIGHT PHOTO

J. Dallas Clark, chairman of the Grand Opening Night Committee of the Civic Theatre announced recently that in response to many requests, copies of the official opening night photograph taken of the audience will be made available to anyone who may desire a copy.

Anyone wishing a copy of the photograph, inscribed with the date, occassion and artists' names, may send a check for $2.50 payable to the Grand Opening Night Committee, P. O. Box 3175, San Diego 92103. The picture will be sent in a few days.

Letter From Seven Seas

EDITOR'S NOTE: This is the second letter from local residents who are taking part in the cruise of the University of the Seven Seas.

Dear Editor:

We departed at 12:05 a.m. from Napoli (Italian for Naples), and our voyage down the coast was comparatively uneventful. We passed the famed Island of Stromboli fairly early in the morning and through the Straits of Messina about 11 a.m. It was good to have a few days at sea in which to relax and to absorb the information which we had stored in our brain from our extensive tours of the Italian Peninsula. In fact we had reached the saturation point and it was most difficult to compose ourselves and settle down to book learning. We had comparatively smooth sailing on the whole voyage from New York and this part of the trip from Naples to Piraeus was no exception.

It is a thrilling experience to see land marks which we have heard of all of our lives but seeing them adds the final touch. Crete, one of the Islands off Grecian shores was the largest that we sighted on this leg of the journey — however Greece has more than 2000 islands of various shapes and sizes, all within 70 miles of the mainland. We spotted many of these on the last day of our voyage through the Ionian and the Aegean Seas.

We arrived at the Port of Piraeus at 5 a.m. It is strange, but almost always we arrive at the time of day that we are supposed to — not at all like the train and air tours at home where we can expect to always be late. Piraeus is a typical sea port town, but the pier was much cleaner and more inviting than the ones where we stopped at some of the former ports. It had the usual 100,000 two by four curio and gift shops lining the streets of the harbor area to attract the gullible traveler as he disembarks from his ship. Sometime after we arrived in Greece, a Russian passenger liner slipped into the harbor during the night and berthed along side of us — naturally it attracted a great deal of attention from everyone. Some of the students asked permission to visit their ship one evening and were informed that the visiting hours were over and that they should return the next day. But when we arose the next morning the ship had silently moved out of the harbor for other parts.

Several sight-seeing tours were planned for us in Greece. Some of us made the tour to Delphi and Ossios Loukas Monastery — we went by motor coach along the Sacred Way to the Sea, continuing through the plain of Thriasson and into the mountains. Delphi clings to a slope 2000 feet above sea level and is the former center of worship of Appollo. The Ossios Loukas Monastery was built in the 11th Century and is noted for its architecture and beautiful mosaics. Others of us took the tour to Corinth, Mycenae and Epidaurus. This, too, was a full day tour by motor coach along the seaside and over the Corinth Canal to Old Corinth, a leading commercial center of Old Greece founded in 900 B.C. The ruins include the Ancient Market Place, famous fountains of Pirene and Glauce, the Odeum and Theatre and a visit to the Temple of Appolo overlooking the Market Place, the ruins that we saw included the Acropolis, Lions Gate, the largest ancient Greek Theatre and Sanctuary of Asclipios.

Our University field trip included a trip to the Acropolis at Athens and the Parthenon, as well as other ancient ruins of Athens. Here the Greeks built their splendid aristocratic temples, forums and theatres and this is the place where Socrates, Pericles, and Hippocrates lived some 2000 years ago. Every field of modern thought owes its debt to the ancient Greeks.

Still others of us took the trip to Cape Sounion, which is situated at the tip of the Greek mainland, pointing out to the Cyclades Islands. The trip was really directed toward the advancement of education for the marine science group but the rest of us went along to further our education in sight-seeing. The Temple of Poseidon is situated on the highest point and from this Temple one gets a breathtaking view of the Blue Aegean and the quaint little village below where the students were skin-diving for their precious sea specimens. The drive to and from Cape Sounion took us along the Coast of Attica, passing through many villages in the typical Greek countryside. In this country, more than in the others we had visited, we noticed many of the advertising signs translated in English which we thought detracted a great deal from the Greek atmosphere, and even though it made things a little more convenient for us it was not nearly so attractive to us.

Continued to 1

On the evening of November 13 many students and faculty from the University of Athens, came aboard our ship and spent the evening entertaining us with their dancing and singing and we in turn, entertained them. The Greek people we found, are very warm and friendly people and since many of them speak and understand English fairly well we learned much about their schools and their country firsthand.

We sailed away from warm, friendly Piraeus on November 15th (Sunday) at 13:00 (1:00 p.m.) and as we waved to our new friends on the pier a feeling of joy to know that we do have good friends all over the world. As we stood on the top deck we picked out the historical land marks which we had visited the previous day. It is much more fun to leave during the daylight hours to give us a chance to orient ourselves, and it seems less like a dream than when we leave in the middle of the night.

Best wishes to all our friends in Lemon Grove, Spring Valley and La Mesa.

SHARON MILLER NAMED HOMEMAKER

Sharon A. Miller, daughter of Mr. and Mrs. Richard L. Miller of La Mesa, has been named Grossmont High School's 1965 Betty Crocker Homemaker of Tomorrow. She scored highest in a written homemaking examination taken by almost 75 senior girls and is now eligible for state and national honors.

Test papers of all school Homemakers of Tomorrow in the state are currently being judged. The state's highest-ranking birl will receive a $1.500 scholarship from General Mills, Inc., sponsor of the annual Betty Crocker Search for the American Homemaker of Tomorrow, with the state runner-up to be awarded a $500 educational grant.

CONCERT BAND — Thomas Lange, son of Mr. and Mrs. R. H. Lange, 2931 Orange pl., Lemon Grove is a member of the 72-piece St. Olaf College Concert Band. The band will play premier performances of two compositions for band on its 1965 tour of 16 cities in Minnesota and Wisconsin, beginning Feb. 2 with a concert in St. Paul.

The band will play the Midwest premier of "Tritico," a three-movement work by Vaclav Nelhybel, a Czech composer and conductor who is now a citizen of the United States.

The St. Olaf Band is part of the rich musical tradition of St. Olaf, renowned for more than half a century for its excellent touring instrumental and choral groups.

The concert tour this year includes performances in St. Paul, Milaca, Wadena, Bagley, Two Harbors, Silver Bay, and Grand Marais in Minnesota; Superior, Moose Lake, Hudson, Cippewa Falls, Wausau, Shawano, Green Bay, Milwaukee, and Amery in Wisconsin before the home concert, Feb. 14, in Northfield.

PTA To Study Modern Math

Parents from Rancho Elementary School have expressed interest in learning more about the modern math program.

The parent education chairmen of Rancho are planning a meeting in the near future which will be open to guests from neighboring Avondale and Kempton Schools.

Further information will be available at a later date.

Regarding this meeting, pease call Mrs. Jeronme Viau, 479-1928.

"SHE LOVES ME"

The cast for "She Loves Me", the Grossmont College Griffin Players' next production, has been selected.

Taking major roles in the musical, to be presented in late March and early April, are Richard Wagle and Gordon Hedberg from Lemon Grove and Lloyd Osborn from Spring Valley.

Membership Drive Started In LM-SV By Educators For Positive Action

Educators for Positive Action, a county-wide group of over 450 teachers, principals and citizens, have begun a membership drive, said president John McGilvrey. The group was organized in June of 1964 after there was trouble in other school districts, with no one organization to combat the difficulties.

Educators for Positive Action, at a December meeting of the La Mesa-Spring Valley School District board of trustees took exception to statements by board members, one being, "those working against prayer are doing quite a job. They certainly influenced the teachers."

Another statement, according to EPA, was that a parent group had threatened district teachers and principals.

John McGilvrey, president of EPA stated that a survey taken recently among La Mesa-Spring Valley teachers and principals showed no evidence of influence or threats on the part of any group or individual.

A spokesman for EPA said that recent actions taken by the school board had contributed to a lowering of teacher morale in the district. Among these actions were alleged Sub Rosa meetings, the releiving of Superintendent Glenn Murdock as board secretary, and the statement by a member that Murdock can no longer take part in political activities of any sort.

Educators for Positive Action is an organization composed of teachers, classified personnel, college professors, and principals. John McGilvrey, president of the organization, said the aim of the group is the protection of children's education from pressure groups and uninformed citizens and the dissention of facts to all citizens. He said the Spring Valley area of the LM-SV School District is of most concern for EPA.

Construction Ahead Of Schedule At New Santee High School

The Grossmont Union High School District Governing Board, at its meeting last week, heard a progress report by Gurdon Smith on the construction of Santana High School at Santee. Smith reported that the construction was ahead of schedule. As a result of a recommendation from the deputy superintendent, the date of the public hearing for the easement to the Santee County Water District was set for Feb. 1, the date of the regular meeting of the governing board.

The governing board heard a report from Dr. George Brown regarding the progress in the drive to secure funds for a new football stadium to be erected at Granite Hills High School. Brown suggested to the board several possibilities for financing either the bleachers or the lights at the proposed stadium. The board tabled this matter and instructed the administration to look into the legal ramifications of certain of the suggestions made by Brown.

After hearing a presentation by N. L. Eggert on the audit of Grossmont Union High School District for 1963-64, the governing board accepted the report by Eggert and Baughman, certified public accountants, and approved a contract with this firm for the performance of the annual audit for 1964-65.

In other action, the governing board

...heard a report from the administration on the final sale of school bonds for the construction of Santana High School with interest, as reported, at the rate of 3.3458%.

...considered a guide prepared by the superintendents of the elementary districts and the high school district within the Grossmont School District area regarding the professional behavior of educators at unification meetings. Because information had already been circulated to Grossmont Union High School District teachers, the governing board voted to table the suggested guide.

...tabled the procedural statement submitted by the administration, governing relationships between employee organizations in the District and the governing board, with the request that the administration obtain additional legal clarification on several points. This statement was an official follow-up to the Superior Court decision of August, 1964.

...reviewed with the district administration the proposed calendar for unification meetings established by the County Superintendent of Schools.

...received a letter from the Grossmont District Faculty Senate indicating its opposition to a change in the mandatory physical education requirements until such time as adequate research has been undertaken to establish whether such a change would be detrimental to the curriculum. The governing board tabled this item until such time as an actual bill is forthcoming from the legislature.

...heard a report from Russell Savage, principal of El Capitan High School, on flexible scheduling.

...accepted, with regret, the retirement of Mrs. Alda Kirk, Mrs. Dorothy Porch, and Mrs. Helen Stinnett and the resignations of Agnes King, Mary Alice Smith, Floyd Stearns, and Marian J. Sucec.

...approved leaves for Ralph White, John Salyer, and Joseph Till.

...approved appointment of Robert Fielder and Signey Gerstler as vice principals of Granite Hills and El Capitan High Schools, respectively.

...awarded contracts to Clint Whitfield, Natalie J. Ault, Janet W. Brock, Ross E. Davis, Jr., Don W. Lobb, and Patricia J. Robbins — certificated staff; Winston S. Churchill, Omie Payne, Mary Sunbury, and Adamson Wright — classified staff.

Math Class For Parents To Begin At SV Jr. High

A "Modern Math for Parents" class will hold its first session Tuesday, Jan. 26, 7:30 p.m. in Room 2 at Spring Valley Junior High School, according to Fred Griffith, acting principal.

Griffith said the class, taught by Ronald Hawley, is sponsored by the Mount Miguel Adult School. He said the instructor will cover terms and approaches used in the modern math program. Introductory material will also be included.

The class will meet for an eight-week period and is open to all area residents, Griffith said.

Miguel Music Parents To Hear Professor

Dr. Allen Shields, professor of philosophy at San Diego State College, will be speaker at the Mt. Miguel Music Parents meeting Jan. 26, 7:30 p.m., at Mt. Miguel High School. Evaluation of the marching band and concert band will be discussed.

Saturday, Jan. 23, at 9 a.m. members of the bands and orchestra, will be selling candy to raise money for forthcoming district and regional festivals.

Rehearsals are beginning for the Spring Musical which will present the entire musical department of Mt. Miguel including orchestra, concert band, choir and dance department. The tentative dates are April , 9, and 10.

Foreign Students To Meet Members Of Rancho PTA

The Jan. 21 PTA meeting at the Rancho school at 7:30 p.m. will present the opportunity to meet two foreign exchange students and learn about the foreign exchange program.

Mrs. M. V. Rattner, the moderator, will introduce a student from France and one from Italy.

She will tell the background of the program and have a panel discussion with the students.

This meeting will be of interest to parents and older children alike.

Child care will be provided for children over 3, and refreshments will be served after the meeting.

Increased Enrollment Expected By University

Fifty Lemon Grove residents were enrolled in University of California Extension classes during the fall semester, and early enrollment figures indicate an even larger number will attend classes beginning Feb. 8.

University Extension is offering this spring 154 classes for adults—the largest number ever made available in its 48 years in San Diego.

Enrollments are now being accepted at the Extension office, 1221 Fourth ave., San Diego, where interested adults may obtain a free catalogue listing all classes, course descriptions, locations, and teachers. The catalogue may also be obtained by calling 232-7321.

Jack Romiguirre Completes Navy Course

CAMP PENDLETON, Calif., —Marine Private First Class Jack D. Romiguirre, son of Mr. and Mrs. Ernest Romiguirre of 8911 Harness dr., Spring Valley, Calif., graudated Dec. 10, from the Motor Transport Operators Course conducted by the Seventh Motor Transport Battalion, a unit of the First Marine Division based at Camp Pendleton, Calif.

During the three-week course, students receive classroom instruction and practical application in the use of arm and hand signals , camouflage, drivers maintenance and accident reporting. Black-out driving and other motor transport subjects are taught.

Danger Signs Is Topic Of SV Jr. High PTA

Director Bruce Lipka of the San Diego Child Guidance Clinic will be the featured speaker at a meeting of the Spring Valley Junior High School Parent Teacher Association on Thursday evening in the school cafetorium.

An honorary life membership in the California Congress of Parent Teachers will be awarded that evening, according to Mrs. Paul Hogdens, chairman.

"Danger Signs in Youth" is the subject of Lipka's talk. It will be illustrated with a film and a question and answer period, said Mrs. G. W. McCurdy, program chairman.

Birthday cake will be served during the social hour honoring the 68th Founders Day celebration of the PTA movement with Mrs. John Belt as hopitality chairman.

PLACEMENT TEST

Grossmont College will give and additional placement exam for returning students enrolling for spring semester.

The exams will be given Saturday, Jan. 30 at 8 a.m. in the Library.

Reservations for the tests must be made in the Admissions Office prior to the test date.

Kempton PTA Plans Public Fashion Show

The Kempton Street School PTA has completed plans for its fashion show, to be held Thursday, Jan. 21, at 3 p.m. in the multi-purpose room of the school. The event is open to the public and will follow a short business meeting.

Shown will be the latest fashions, created by members of the PTA. Latest wig creations will be on display and may be tried on. There will be an accessory, directly from Paris, refreshments, door prizes and baby sitting.

PTA Panel Talk Slated At Palm Junior High

Palm Junior High PTA will have a panel discussion program Jan. 21, entitled "Do You Care?" Those serving on the panel will be a minister, Dr. Detzer; an educator, Mrs. Betty Higgins; a nurse, Mrs. Loretta Miller; a parent, Mrs. Charles Spisak, and a sheriff from the Lemon Grove office.

There will be a question and answer period and refreshments will be served.

Social Security Question Box

By Guy Deeks

Question: I haven't worked long enough to get social security payments. I have heard people say you can "pay up" your social security all at once even if you have never worked. Is that true?

Answer: No, that is not true. You get social security credits by working for wages or by operating a business. There is no other way.

Question: My husband is 66 years old and I am 63, but he won't retire. Do I have to wait for him to retire before I can get benefits?

Answer: If you worked, yourself, under social security, you can apply for the benefits you earned now. You cannot make an effective application for wife's benefits on your husband's account until he has made application, himself. You should have him contact the social security office now because you might be able to get some of the combined husband's and wife's benefits if his earnings are not too high.

The questions presented in this column are typical of those asked at the Social Security Administration District Office in San Diego. Questions may also be submitted by readers for publication here. Address your questions to the Social Security Editor in care of this paper.

JOHN KAFORVY

JOHN KAFOURY OPENS SHOP

John Kafoury, a Spring Valley resident who has been a barber in Lemon Grove for the past four years, has opened his own shop at 8161 Broadway, opposite St. John of the Cross Catholic Church.

The shop, called John's Barber shop, will be open daily from 9 to 6. It will be open 'til 7 on Friday and Saturday.

Kafoury was a resident of Mississippi before he joined the Navy in 1938. He served 21 years before he retired. He lives with his wife and daughter in Spring Valley.

Well known for his long-time connection with a barber shop in mid-Lemon Grove, Kafoury said that he decided to open his own shop when he noted that business was getting better locally.

He says he will have two chairs at his new shop but it may be several days before he decides who will use the second chair.

Responsible Trustees Committee Asks Local Organizations To Assist Work

The Committee for Responsible School Trustees, with John Teague as chairman, this past week began requesting various organizations to send representatives to act on a panel to screen candidates for the school board election on April 20. Among 58 organizations in the La Mesa-Spring Valley School District, the following Spring Valley groups (including all the churches) are being contacted:

Spring Valley Chamber of Commerce, Casa de Oro Chamber of Commerce, S.V. Lions Club, S.V. Kiwanis Club, LM-SV School District, La Presa C of C. La Presa Town Council L. P. Woman's Club, S.V. Merchants Association, S.V. Firefighters Association, S.V. Lionesses, S. V. Woman's Club and Evening Section, Veterans of Foreign Wars, No. 6474.

When the filing dates close, the Selection Committee will present its three selected candidates to the CRST for ratification and support.

Citizens for Responsible School Board Trustees believe a board member should live up to the following:

1. Be interested in the educational development of children and have a strong belief in the importance of their education in the public school.

2. Be successful in his profession, business, or trade and be willing and ready to act upon expert advice on educational matters when he deems such advice to be sound in general principal.

4. Have a strong loyalty to democratic processes and subordinate personal opinions and desires to the will of the majority.

5. Be agreeable, courteous, good natured, and toleran in dealing with persons whose opinions oppose those of his own.

6. Be capable of supporting the majority opinion of the Board even if he personally opposes.

7. Be capable of withstanding pressure from without in supporting a policy that has been adopted after thorough consideration by the Board.

8. Be courageous and not susceptible to being intimidated nor influenced except by reasons that seem to him to be sound.

9. Act in a logical and judicious, rather than emotional manner.

10. Be open to conviction and subject to change when proven wrong, even after a stand has been taken.

11. Have a feeling of loyalty to the Board, its members, and schools.

12. Be ready to accept responsibility for mistakes made by himself or the board.

13. Be frank and straightforward.

14. Have a reputation in the community for integrity and good judgement and be worthy of his reputation.

15. Have time and willingness to study the Agenda before Board meetings and in addition attend committee meetings, paricipate in school visitations, attend conferences and conventions.

16. View the district as a unit.

Steffen Runs For HID Job

A Spring Valley insurance man is candidate for a seat on board of directors of the Helix Irrigation District.

Virgil W. Steffen of 4058 Rogers rd. has filed in District 4 which includes Spring Valley, part of Helix, La Mesa and El Cajon voting precincts.

He is running against Bob Rundell, the incumbent who is seeking reelection. Rundell, an insurance man, has served since 1953. Also in the race is Al O'Brien, a former finger print clerk for the FBI.

Steffen has 30 years of Naval service and 16 years of sales work in the insurance business. He is presently a commissioner of the Spring Valley Fire Department.

He is also a member of Hackett Lodge. F&AM, the SD Association of Fire Underwriters, and the Fine Arts Society.

"I think I can serve my community by serving on the Irrigation District board," Steffen said. "I have a good record as a fire commissioner and I like this type of effort."

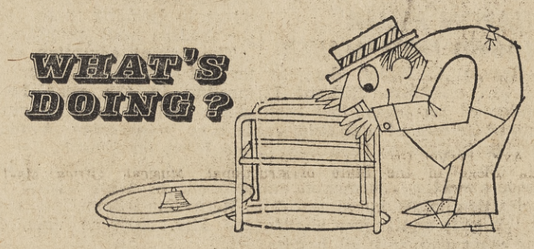
Steffen said he would continue to serve on both boards if elected.

The election is Feb. 2.

Lawrence Oswald Ends Navy Recruit Training

SAN DIEGO — Seaman recruit Lawrence H. Oswald, USN, son of Mr. and Mrs. Russell E. Oswald of 3564 Harris st., Lemon Grove, recently graduated from recruit training at the Naval Training Center, San Diego.

He studied basic military law, customs and etiquette, seamanship, and a basic knowledge of shipboard routine.



NEW DIRECTORY INFORMATION PAGES

As we continue to improve telephone service we also strive to improve easy-to-read dialing information.

The new directories recently delivered feature calling area maps for faster, easier phoning. They let you see how to dial local and long distance calls at a glance. After locating the page pertaining to your telephone number, they handy bookmark delivered with your directory makes it easy to find your page. Then you can quickly refresh your memory when you wish to place a call outside your local calling area.

We hope this new dialing information helps you to derive greater enjoyment and convenience from your telephone service.

When a telephone supplyman found a dove nesting in a reel of cable, he spread the word—DO NOT DISTURB. Mother and offspring are doing fine!

• • •

Did you know that our telephone engineers use cosmetics, of all things, to help keep phones working right? For instance, rouge to polish fine metal parts, toothpaste to clean switchboards, orangewood stick to probe electronic equipment, and a primary ingredient of lipstick is used as a lubricant. Whatever it takes, good service for you is our goal.

• • •

I've heard that the average person uses a telephone 8,760 hours in his lifetime. No doubt about it, telephoning is an important part of living!

• • •

Each year we see many communication changes. And last year was no exception. There was the first underseas telephone cable between America and Asia. And live global television via Telstar II. Also Picturephone see-as-you-talk experimental service between three cities. Sure, it was a big year. But you know, telephone people prefer to look ahead—which means continuing to bring you even better service in 1965.

SV's Earl Hardy Retires From USN After 23 Years

A Spring Valley man, Earl M. Hardy, Aviation Electronics Technician First Class, retired recently in ceremonies conducted by Captain Martin G. O'Neill, Commanding Officer of Carrier Airborne Early Warning Squadron Eleven, Naval Air Station, North Island, San Diego, California. Hardy, assigned to the Electronics Division of the squadron, completed 23 years of Naval Service prior to his entry in the Fleet Reserve.

Mrs. Pauline Hardy witnessed the ceremonies which included the presentation of a plaque by Captain O'Neill. The Hardy's and their four children intend to remain in their present home at 516 Ruxton in Spring Valley.

Persuasion Key To GOP Success

Emil Balaban of California Republican Assembly highlighted the monthly meeting of the Lemon Grove Young Republicans last Monday evening with the presentation of "The Art of Persuasion." He emphasized that only by effective personal communication can Republicans counter the massive propaganda efforts of the Democratic administration and win in 1966. An enthusiastic discussion period followed the talk.

Dr. Ed Grubbs, club president, stated that Republican clubs such as YR are growing because people are becoming concerned with increasing federal power and controls. We can see the accelerating drift toward the socialistic state and want no part of it. YRs believe that every individual is important and that government should serve, not control.

The meeting was held in the board room of the Lemon Grove Medical Group Building. The club invites all interested republicans between 18 and 39 to attend the February meeting on the 17 at 7:30 at the medical building, 3240 Main st.

Bank Earnings Up 37 Cents

SAN DIEGO — United States National Bank net earnings for the 12-month period ending Dec. 31, 1964, were $1,626,018 after taxes, or $2.68 per share based on 606,026 shares outstanding — up 37 cents per share over last year's net operating earnings of $1,400,784.

C. Arnholt Smith, president and board-chairman of the 33-office Southern California financial institution, said his organization was pleased with the earnings performance, since it rose while reflecting the bank's absorption of heavy costs in occupying its new skyscraper headquarters in San Diego, increased interest on time deposits plus construction and implementation costs of major new quarters for existing branches in Fullerton and Pacific Beach, and new offices opened at San Dimas and San Ysidro.

Total deposits rose to $239,460,770 — $6½ million above total deposits of $233,029,060 a year ago.

Loans and discounts were up $22,313.393 — to $153,976,007 over the $131,662,614 of a year ago.

Capital funds were $23,896,672 compared with $17,868,953 a year ago.

DEADLINE NEARS FOR FARM TAXES

Monday, February 1, is the deadline date for filing a contribution return and report of agricultural wages, form DE 7003, for the fourth quarter of 1964, Hagen Christensen, auditor in charge for the State Department of Employment in San Diego reminded employers of agricultural workers.

Penalty and interest will be charged if the report is filed after the deadline, Christensen said.

Employers who need help in preparing their agricultural returns and wage reports may contact the Audit Office at 1350 Front st., San Diego, or telephone 234-4341.

More Training Eyed For Poll Officials

SAN DIEGO (CNA) — Registrar of Voters Charles J. Sexton said Tuesday that he agrees with the report of the 1964 San Diego County Grand Jury concerning alleged irregularities at the polls on Nov. 3.

The report says that better training of election officials might prevent "what amounted to harassment of voters at the polls by individuals challenging voters."

Sexton said that he does have plans for better training although there is nothing in final form. The jury report asks that the Board of Supervisors cooperate by increasing the registrar's budget for this extra training.

LITTLE LEAGUE REGISTRATION STARTS IN S.V.

Little League registration for Spring Valley youngsters will be Tuesday 7 to 9 p.m. at Rancho and Kempton Schools.

Youngsters must possess a certified birth certificate to be eligible, according to Mike Allenson, a Little League official.

The league opens late in April, he said. A family donation is expected from players, he added.

64 Model Car Racers Vie In Monday Evening Event

The winners circle held several new names as the smoke and dust from the racing of model cars settled at the Broadway Hobbies last Monday night. A record number of 64 drivers signed up to race. A race for 1/32'nd sized cars was held for the first time with Leezy coming in first, Hamilton second and Loera third.

The modified stock saw Gahn's Cox kit sweep the field for his first "first" place with Hamilton's Cox kit racing past Leezy's Revell kit for a second to Leezy's third.

Howard Freeman's Revell B.R.M. took the lead in the stock class with Oliver's K&B Ford a close second. But the Lister Jag of Johannis came from fourth place and gave the leaders a battle. Freeman crossed the finish line forst with Johannis second and Oliver third.

Emerick took a first this week in the unfendered 1/24'th competition with his Harvey Aluminum powered with a 510X motor. Roach's Porche with a Bobcat motor came in second while Neilsen's 510X driven Porche win him a third place.

The 1/24'th fendered competition had to start twice when the drivers realized they were running each others cars. Then Leezy settled down to drive his G T Ford, Kempton motor, to a first place, while Emerick's Litus, 510X motor, won a second and Roach took third with his Ruskitt driven Lotus 30.

The fastest of the slot cars, the unlimited, saw Hamilton set a record of 6.7 seconds with a 510X, motor while winning first place. Leezy placed second driving a 65X Cobra AC. Johannis, using another re-wound motor driven car, came in third.

Roach with 28 points leads the series, with Hamilton's 25 points and Emericks' 22 points pushing them rapidly to becoming "Expert Drivers."

Thirty boys entered the Junior Division races last Saturday to see little Kennyy Martin again take first place in the 1/24 Stock class. Jesse Bower placed second and Don Schmidt had a third place win.

Bruce Armstrong's Cobra received a first place in the 32'nd class with Don Carlson and Julen Judd battled for the second and third places, respectively.

The competition fendered and unfendered had the most entries but in the main event Henry Ruiz drove his Porsche in first, with John Hoobler's Lotus 30 running a close second and Ruban Caba's Ford GT winning him a third place.

In point standings, Kenny Martin leads with 10 points, Bruce Armstrong and Don Carlson are tied with 8 points each.

Work Now Under Way On Pony League Field

The formation of a Spring Valley Pony League baseball field at Monte Vista High School, just south of the Colt League field, is under way according to Pony League president Warren Overton.

This past Saturday the dugouts were dug and forms for the block wall footings were completed. Then on Monday concrete was poured for the footing. Saturday the block wall will be started. Future plans include a stairway, bleachers and a concession stand.

In addition to Overton, three men have been helping with the project: Ed Steiner, 1964 league president; Al Ross, players agent; and Dick Meech, manager of the Laura Scudders team.

PROMOTED — Spring Valley resident Daniel M. Brown has been promoted to the post of manager of Bank of America's 58th and University branch in San Diego. Brown has been assistant manager since last year of the Coronado branch and prior to that was a loan officer there. His entire career has been in the San Diego area, starting in 1947 as a teller at the Chula Vista branch. He and his wife Virginia have two children: Nancy, 6; and Mark 4. They live at 3529 Bentley place.

DMV Reminder

Renew Registration

Department of Motor Vehicles field offices throughout the state joined in issuing reminders to motorists to apply for their 1965 license plates renewal promptly.

"The basic procedure of renewing registrations by submitting the statement cards with fees for 1965 is the same is in previous years," a spokesman for the field office managers said.

Saturday morning service will be available in all permanent field offices only two more weekends, 8 to 12 on January 23, and 30. DMV also reiterated its notice that the final day provided in law for renewing registration free of penalty is February 4. Applicants may mail their cards and fees to DMV at Sacramento if they prefer, and no penalty will be imposed except on mailed applications showing postmarks later than midnight February 4.

Van Deerlin Moves To Higher Position On House Committee

Congressman Lionel Van Deerlin (D.-San Diego) has risen to 12th position in Democratic seniority on the powerful Interstate and Foreign Commerce Committee of the House of Representatives.

In a recent Democratic caucus as the 89th Congress opened, Van Deerlin jumped eight rungs from 20th position among the 22 Democrats on the 33-man committee. Records show that, of all the Congressmen who entered the House as freshmen in 1962, Van Deerlin is the only one who has climbed so far on a major committee.

Of the eight places which the San Diego Congressman leapfrogged, three committeemen were defeated in Democratic primaries; one resigned to become a federal judge; one was defeated in the November elections; and one J. B. Williams of Mississippi, a Goldwater supporter — was shunted to the bottom of the ladder.

In the previous Congress, Democrats held 20 seats, and the Republicans 13 on the Interstate and Foreign Commerce Committee. The Democrats have thus picked up two seats.

EXTRA DIVIDEND BY US NATIONAL BANK

SAN DIEGO — United States National Bank directors declared a 3% stock dividend in addition to the regular quarterly cash dividend of 25 cents per share. The stock dividend is subject to approval of the comptroller of the currency. Both are payable Feb. 26 1965 to shareholders of record Feb. 15, 1965. The stock dividend is subject to approval of the comptroller of the currencl. Both are payable Feb. 26, 1965 to shareholders of record Feb. 15, 1965.

The stock dividend increases the bank's total outstanding shares from 606,026 by 18,181 to 624,207. Shareholders as of the date of record will receive 1 new share for every 33⅓ shares held. Cash payments will be made in lieu of fractional shares.

The dividend action, taken at the board's January meeting, made this United States National's 25th quarterly 25 cent cash dividend payment since 1958.

Alaska Work Recruits Sought

Four representatives of the U. S. Army Engineers District, Alaska will be in San Diego on Friday to recruit for a number of positions currently open in Anchorage, Alaska. All positions are in the professional fields and include civil, general, mechanical, electrical, materials, chemical, construction management and structural engineers. Other positions the Engineer group is hoping to fill include an economist, supervisory engineering draftsman, general attorney, supervisory cartographic compilation aide, cost accountants, auditor and construction inspectors.

Because of limited time, interviews will be conducted only between 9 a.m. and noon, at the California State Employment Service, 1354 Front st. Phone 234-4341 for an appointment. Personal interviews will be conducted by appointment only.

The interviewers have indicated that applicants accepted for the positions will be made a firm offer and could expect to relocate to Alaska within one month to six weeks.

Liquidation Sale Starts Next Week

A "liquidation sale" of the merchandise of the A&S Liquidators, 7975 Broadway, Lemon Grove, will get under way next week, spokesman for N.K.P. Corp. said this week.

N.K.P. Corp. bought the stock from the estate of Abe Shelley, the operator of A&S who died last year. The stock was sold at auction.

A crew of salespeople are in the store presently marking down prices getting ready for a sale to be started next week.

Monarchs Hold Slim Lead In Grossmont League Play

Monte Vista High School's varsity basketball team held on to its slim half-time lead over El Capitan in the Grossmont League by defeating Grossmont and Granite Hills.

On Tuesday, Jan. 12, the Monarchs defeated Grossmont 50-43 in the Monte Vista gym. In the first quarter Grossmont opened up a 12-9 lead. Early in the second quarter Monarch Coach Bill Gillespie installed the full court press and the Monarchs moved ahead only to have Grossmont recatch them. With the score tied 23-23 with four seconds left in the half, Monarch Tay Finney sank a forty-foot shot to put Monte Vista in front to stay. The Monarchs hit 16 for 50 from the floor, with Finney leading scorer. Finney scored 22 for a career high.

On Friday, Jan. 15, the Monarchs shot down the Granite Hills Eagles, 62-38 in the Monarch gym. Starting out as though they were trying to break the county scoring record again, the Monarchs opened up a 26-13 first quarter lead. During the quarter, Dan Roberson sunk 17 of the points; he ended up with 29 points. The rest of the game was easy as the Eagles never closed within 10 points. Sinking 27 of 75 shots for 36%, the Monarchs easily outdistanced the Eagles who were 14 for 61, 21%.

PLAY SPONSORSHIP IS NOT OLD GLOBE'S

The Old Globe Theatre announces that its organization is not sponsoring an original one act play tournament this spring. Printed circulars and press releases from another theatre group state the Old Globe theatre is participating this activity.

The Old Globe Original One Act Tournament was presented by the Old Globe Theatre for three years concluding in the fall of 1963. Following the third presentation, the Board of Directors decided to discontinue the project.

Lack of time in the busy year-round production schedule, space at the Balboa Park theatre facilities and staff personnel were some reasons supporting the decision of the directors.

"Any reference to or implication that the Old Globe Theatre is sponsoring a one act play tournament is erroneous and unauthorized by the Board of Directors of the Old Globe Theare," stated producing director Craig Noel.

Expert To Hold Memory Classes

Don Robinson, one of America's leading memory experts, will conduct a short-term course in Memory Improvement at Helix High School, 7323 University ave., La Mesa on Tuesday evenings from 7 until 10 p.m., starting January 26th. The course will teach improvement of study habits, listening habits, personal effectiveness and self confidence as well as methods of remembering names, numbers, objects, speeches, vocabulary, maps, formulas, books, jokes and facts. Mr. Robinson is active in the San Diego area in teaching groups from industrial and naval facilities.
